

APA 15th ANNUAL RETREAT TRAVEL AWARDS

Money is no object – really! You can now afford to attend the 15th Annual APA Retreat, even on your limited budgets. APA is offering a variety of travel assistance awards for Arizona Presenters to attend the 15th Annual Retreat held this year in Prescott. The selection process is simple. We are asking any Arizona Presenter who would like to attend and needs assistance to write a few paragraphs (please no longer than one page) as to why you need assistance and what you hope to gain from attending the retreat.

Our intent is to select Presenter's from each of the three established regions in APA: the north region, the central region and the southern region. We will also look at whether or not you have ever attended an APA retreat – so tell us your history. Our goal is to encourage more first-timers and/or those who haven't been with us for a while, but that does not preclude anyone from applying.

We would also like to know what type of funding you are seeking. We are hoping to use our funds to help the most people, so the entire costs of attending the retreat will not be covered. However you may seek funding for registration fees, hotel costs, travel expenses (mileage reimbursement) or a combination of the above. Total award amounts will vary depending on number of applications, but will normally not be more than \$150.00.

Your written request must be typed and submitted to the Arizona Presenters Alliance by June 20, 2011. Then the Travel Awards Committee will review the requests and make selections. Each applicant will be notified in plenty of time to meet registration deadlines.

You can email your request to shpotter@asu.edu , fax it to Steve Potter at 480-965-2243 or mail it to:
